Re Notification of the Name Change of MCI WorldCom Network Services, Inc to
MCI Network Services, Inc

Dear Chairman Jones.

MCI, Inc. ("MCI") on behalf of its subsidiary MCI WorldCom Network Services, Inc ("MCI WorldCom Network Services"), hereby respectfully notifies the Tennessee Regulatory Authority (the "Commission") of the name change of MCI WorldCom Network Services to "MCI Network Services, Inc" (the "Name Change") The Name Change will be undertaken to avoid confusion in MCI's dealings with regulators, other government agencies, vendors, and customers and as further described below

A. Description of the Applicant, MCI

MCI is a corporation created and existing under the laws of the State of Delaware, with its principal office located at 22001 Loudoun County Parkway, Ashburn, Virginia 20147. Through various operating subsidiaries, including MCI WorldCom Network Services, MCI provides international and domestic interstate, intrastate and local telecommunications services. Additional information about MCI is available at www.mci.com

MCI is the parent company of various operating subsidiaries; it offers no services directly to the public and holds no certificates of public convenience and necessity issued by the Commission. On October 31, 2003, MCI (f/k/a WorldCom, Inc.) and 221 of its direct and indirect domestic subsidiaries emerged from Chapter 11 bankruptcy proceedings.¹ Throughout the bankruptcy reorganization proceedings, MCI continued to operate its businesses, both in Tennessee and elsewhere, without interruption, maintained its state-of-the-art network, preserved service quality, and continued to expand the availability of innovative and competitive services

The Name Change is part of MCI's continuing effort to simplify its corporate legal structure and should help prevent confusion in MCI's dealings with regulators, other government agencies, vendors, and customers
